

Pampa Metals to Exhibit at the Prospectors & Developers Association of Canada (PDAC) Virtual Conference 2021

(CSE: PM) (FSE: FIRA) (OTCPK: PMMCF)

For Immediate Release

Vancouver – March 2, 2021 – Pampa Metals Corp. (“Pampa Metals” or the “Company”) is pleased to announce that the Company will attend and exhibit at the annual Prospectors and Developers Association of Canada (“PDAC”) convention, the world’s premier mineral exploration and mining event. This year, the PDAC event will be held virtually between Monday, March 8th and Thursday, March 11th 2021.

Starting March 3rd, 2021, the general public will be able to visit our virtual booth in the Investor Exchange to view Pampa Metals' most up-to-date presentation and to arrange one-on-one meetings with Julian Bavin, CEO and other member of the Company’s management and Board of Directors.

For more information and/or to register for the convention, please visit: <https://www.pdac.ca/convention>.

“With the copper exploration and mining industry looking at its best in recent times, we look forward to introducing Pampa Metals, our portfolio of high-quality projects in Chile, as well as our corporate plans to this year’s virtual attendees...” said Julian Bavin, Chief Executive Officer of Pampa Metals Corp. He continued “... the Covid-19 pandemic era continues to affect business travel globally, but the annual PDAC tradition creatively continues on a virtual basis this year. Our young company owns an exciting portfolio of 8 exploration projects covering a total of 59,000 hectares and in the world’s best copper jurisdiction of Northern Chile, and we will be at PDAC discussing current activities and expected milestones for 2021 and beyond.”

ABOUT PAMPA METALS

Pampa Metals is a Canadian company listed on the Canadian Stock Exchange (CSE: PM). Pampa Metals has interests in an outstanding 59,000-hectare portfolio of projects prospective for copper and gold located along proven mineral belts in Chile, one of the world's top mining jurisdictions. See attached map for the locations of the Company’s projects. The Company has a vision to create value for shareholders and all other stakeholders by making a major copper discovery along the prime mineral belts of Chile, using the best geological and technological methods. For more information, please visit Pampa Metals’ website here www.pampametals.com.

Neither the CSE nor the Investment Industry Regulatory Organization of Canada accepts responsibility for the adequacy or accuracy of this release.

Reference to existing or historic mines and projects is for reference purposes only. The reader is cautioned that there is no evidence to date that a comparable mineral resource could be found at Pampa Metals' projects.

FORWARD-LOOKING STATEMENT

This news release contains certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical fact, that address events or developments that Pampa Metals expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential", "indicate" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. These include statements regarding our future exploration plans and results of existing plans. These statements are subject to various risks, including that results will not be as anticipated, or that timing may be impacted by restrictions on travel and work imposed due to the Covid-19 pandemic. Although Pampa Metals believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guaranteeing of future performance and actual results may differ materially from those in forward-looking statements.
